

BAP Sponsors City Championships

Huffman Vikings celebrate their Championship victory.

Ramsay Lady Rams hold the Championship trophy.

The much anticipated return of the **BAP/All-City Basketball Tournament** finally became a reality in December 2004, giving the City of Birmingham's high school basketball teams an opportunity to compete for the coveted All-City Championship trophy. Held in Bill Harris Arena during the Christmas Holidays, **Dr. W.J. Maye**, Vice President of the City of Birmingham's Board of Education, ignited the tournament with the

honorary "tip-off" to begin the first game. This exciting tournament gave the fans a look at the superb athletes the city of Birmingham has to offer.

BAP would like to acknowledge Coach Tyrone Belcher, head coach of the Huffman boys and coach Robert Moseley, coach of the Ramsey girls for the great job they have done with their respective programs.

BAP would like to acknowledge **Dr. Wayman Shiver**,

Birmingham City Schools' Superintendent; **Coach George Moore**, Birmingham City Schools' Athletic Director; City Council Members **Mr. Bert Miller** and **Ms. Carole Smitherman**; and Ms. Smitherman's husband, Alabama State Senator **Rodger Smitherman**, for their help and attendance at the tournament.
